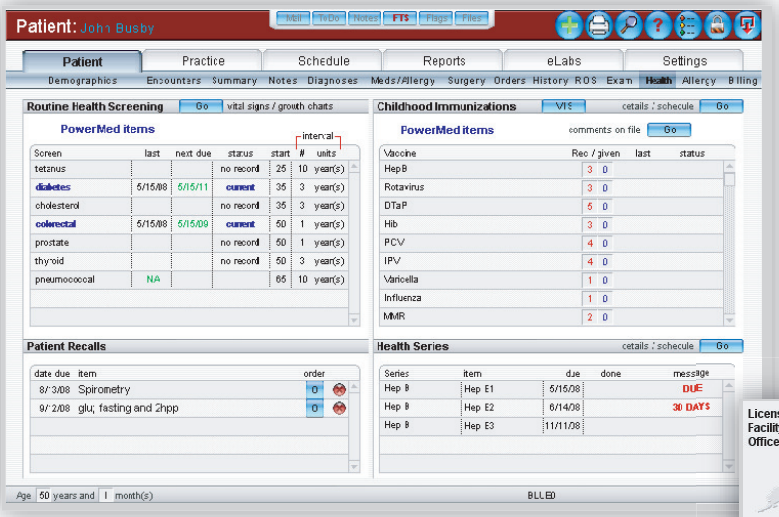
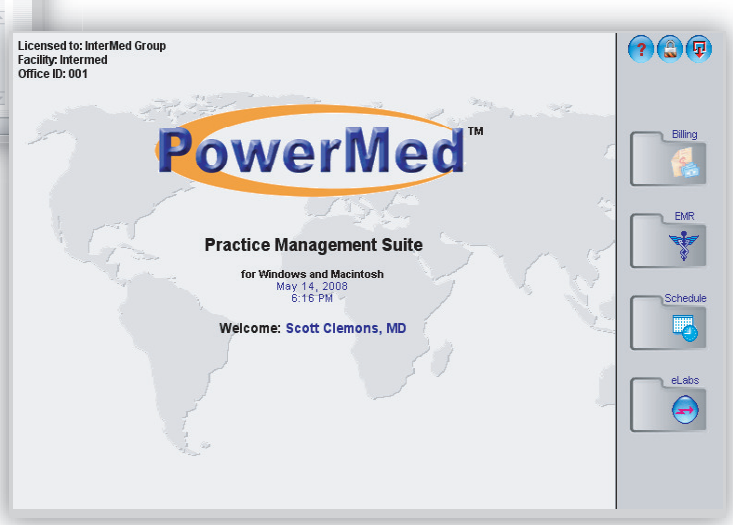
PowerMed™ Medicine



PowerMed's Health module, designed by Physicians, is your key to a paperless office.

As a central part of Practice Suite software (EMR, Billing, and eLabs), the Health Module is one of the many tools providing a seamless transition from paper to electronic patient charting.



Practices using PowerMed software can take advantage of our advanced preventive Health module, document management tools, PAC system, customizable SOAP templates and intuitive interface. Coupled with PowerMed's core comprehensive EMR, Practice Suite offers a state-of-the-art solution for any busy practice.

- Easy to use custom templates
- Advanced image and document mangagement
- Feature-rich EMR
- Native EMR/PM integration
