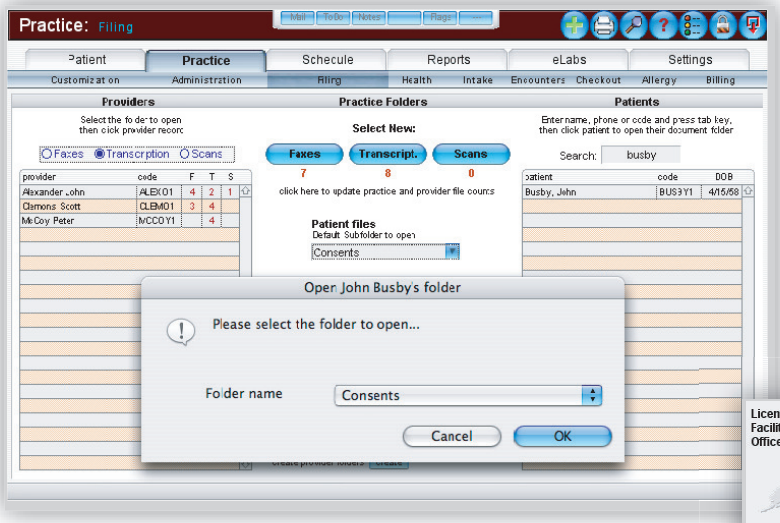
PowerMed™ Psychiatry



PowerMed's Document module, Mental status and Medication review worksheets, designed by Psychiatrists, is one of the keys to a paperless Psychiatry office.

As a central part of Practice Suite software (EMR, Billing, and eLabs), these elements provide a seamless transition from paper to electronic patient charting.

Practices using PowerMed software can take advantage of advanced document management tools, note and patient privacy and security lock out system, customizable SOAP templates and intuitive interface.

Coupled with PowerMed's core comprehensive EMR, Practice Suite offers a state-of-the-art solution for any busy practice.

- Easy to use custom templates
- Advanced image and document mangagement
- Feature-rich EMR
  Native EMR/PM integration
